On behalf of the over 2,700 members of the West Virginia State Medical Association (WVSMA), we wish to invite you to support and participate in the 2014 Healthcare Summit scheduled for August 22-24 at The Greenbrier.

Joining you will be physician registrants from the WVSMA, medical specialty societies, visiting state society presidents, the American Medical Association President, and a number of state and nationally recognized presenters.

Supporters and exhibitors are also encouraged to participate in the social receptions. These are great networking opportunities that we hope you will attend.

We look forward to seeing you in August at The Greenbrier!

Executive Director, WVSMA
