CORE

COLLECTIVE OUTREACH AND RESEARCH ENGAGEMENT

SURVEY

The West Virginia Practice-Based Research Network's Annual CORE Survey is now open.

The CORE Survey is a compilation of survey questions for providers from multiple clinician-investigators. This is an opportunity to gain knowledge about certain topics in primary care settings while also limiting the number of surveys WVPBRN members are asked to complete.

This year we have included questions evaluating health emergency preparedness.

The survey must be completed by **April 24, 2020**. Please contact Tracy Sun at tracy.sun@hsc.wvu.edu for any questions. Thank you!
