WESPAC
West Virginia Medical Political Action Committee

October 1, 2026

WESPAC is proud to present its endorsed candidates for the current election cycle. As the unified advocacy arm of the House of Medicine, WESPAC supports individuals who demonstrate a clear commitment to advancing physician-led, patient-centered care across West Virginia. Our endorsements are made on a strictly non-partisan basis, grounded in each candidate's philosophical alignment with the priorities of our physician community, including patient safety, access to high-quality care, and the integrity of the physician-patient relationship. These candidates reflect a shared vision for a stronger healthcare system and healthier communities throughout our state.
